To whom it may concern

I, Werner Bester (ID 7905025163083), can confirm that Benedikt Sebastian has done extensive work with our organization. He has been extremely proficient and professional and I would highly recommend him to any future projects.

He has worked on numerous projects with us, as we represent the Sharks Rugby Union on all Digital Media space within the stadium. His turnaround time has always been fantastic and very reliable.

Please do not hesitate to contact me with any questions you might have.

Kind regards

**Werner Bester**
